Student removed from register

On 23 April 2008, the Disciplinary Committee of the Association of Chartered Certified Accountants (ACCA) considered a complaint against a student, Ms Elena Tishchenkova of Moscow, Russian Federation. The complaint that she was liable to disciplinary action under bye-law 8(a)(i) in that she took to her desk and/or possessed while at her desk, materials not authorised by the Registrar and intended to use them in her exam attempt, contrary to the Fundamental Principle of Integrity, was found proved.

The Committee ordered that Ms Tishchenkova be removed from the student register, pay costs of £610.00 and that the decision be published by issuing a press release to the professional, national and local press referring to her by name.
